📍 Ahmedabad

SUMMARY

I am an aspiring Frontend Developer with a passion for crafting responsive and engaging user interfaces. My experience as a Top 30 Finalist in a national-level hackathon compared to over 5,500 participants showcases my ability to deliver innovative design and code quality under pressure. I am actively seeking internship opportunities to further develop my skills in a dynamic environment

EXPERIENCE

Top 30 Finalist

Vibe Coding Challenge (Hackathon)

📅 05/2025 - 06/2025   📍 Remote

Hackathon focused on coding and website design skills

- Selected among the top 30 out of 5,500+ participants in a national-level hackathon
- Designed and built a creative, responsive website UI using HTML, CSS, JavaScript, and animations
- Showcased skills in layout design, responsiveness, and teamwork under strict deadlines
- Advanced to Round 2 based on innovative design and code quality
